

**As part of the Illinois Milestones Project: Achieving Capacity Transformation (IMPACT), Illinois Coalition for Community Services will offer nine free training workshops around the state for representatives of any non-profit, faith-based, or community organization.**

Interested individuals will learn leadership development, community engagement, organizational development, revenue development, and program development skills through the following sessions at each IMPACT Workshop:

- **Best practices for running an efficient meeting**
- **Mapping community assets & assessing community needs**
- **How & why to create a strategic plan**
- **Identifying potential funding sources & fundraising**
- **Measuring program outcomes**

Organizations participating in the IMPACT sub-award program are required to send two representatives to one workshop.

**Unless otherwise indicated, the partnering community colleges will offer Continuing Education credits to social work professionals who attend an IMPACT Workshop and complete the required forms requesting these credits.** Fees associated with obtaining these credits are the participant's responsibility.

**IMPACT Workshops are free and open to the public. However, advance registration is required.** All participants must register by calling or emailing IMPACT Project Director Nicholette Dolin at (618) 542-1774 or [ndolin@organizing-communities.org](mailto:ndolin@organizing-communities.org). In the message, please provide the name(s) of the individuals who will be attending, the organization they will be representing, their phone number(s), and the date/location they will attend. Please note that some locations require additional registration through the community college.

**IMPACT Workshops will be from 9am-3pm. Lunch will be provided.**
